Program

Duration: 4 weeks

A Multidisciplinary Approach to Climate Change (3 ECTS credits)

Gain academic enrichment in many fields: Art, Biology, Business, Chemistry, Earth Sciences, Economics, Engineering, Geography, Humanities, Law, Marketing, Physics, Political Science, Psychology, and Sociology. In case you have not decided yet what you are going to study at University, our course will greatly help you to decide.

Speaking and Writing Skills for Success at University (3 ECTS credits)

You will focus on important skills that you need to master to be a successful university student, such as effective listening and reading, delivering presentations, and writing papers.

Schedule: Classes take place between 9:30 a.m. and 1:30 p.m., Mondays through Fridays. Activities on some afternoons.

Other features

UAM's campus is beautiful and green. It combines a wonderful natural environment with all kinds of modern facilities. And it is just 21 minutes away from Puerta del Sol.

All classes are taught in English by top professors of many disciplines and by top practitioners from the business world.

Tuition includes social and cultural events, as well as field trips, all conducted in English.

Our fantastic student mentors will take the same course than you and accompany students around the campus, on socials and visits. Students benefit from hearing first-hand about university life and life at UAM.
